PROFESSIONAL SUMMARY

Detail-oriented Executive Assistant with a strong background in operations, business development, and executive support. Experienced in managing C-suite communications, diaries, and travel logistics, while overseeing procurement, vendor relationships, and cross-departmental coordination. Brings an analytical edge from hands-on data analysis work, skilled in producing structured reports, dashboards, and clear documentation that support fast, informed executive decisions.

CORE SKILLS

Executive Support: Diary & calendar management, email and communications management, travel coordination, stakeholder liaison, confidentiality

Operations & Administration: Procurement, vendor management, contract management, expense reporting, cross-departmental coordination

Reporting & Tools: Microsoft Excel (Power Query, Pivot Tables), PowerPoint, Word, Google Workspace, Tableau, Power BI

Interpersonal: Stakeholder communication, research, cross-functional collaboration, people management, attention to detail

WORK EXPERIENCE

Personal Assistant & Operations Manager | *Ozone Emporium* Nov 2022 – Jan 2024

- Managed executive communications, diary, and travel logistics while acting as liaison between the CEO and cross-departmental staff.
- Oversaw procurement and vendor management, and produced management reports and presentations to support operational decision-making.

Freelance Data Analyst | *Self-employed* Mar 2025 – Present

- Cleaned and standardized 14,859 event registration records using Python and Excel, enabling accurate downstream reporting for stakeholder review.
- Designed an interactive Tableau dashboard and delivered written insight reports that directly supported client decision-making.

Data Analyst Intern | *HNG Internship* Jan 2025 – Mar 2025

- Achieved Stage 7 Certification of Proficiency, completing 7 progressive stages across social media, marketing, and product analytics.
- Collaborated cross-functionally with product managers, designers, and developers throughout a live product development cycle.

Business Development Officer (NYSC) | *Gantt Works Business Development Services* Mar 2021 – Oct 2022

- Performed data entry, cleaning, and daily reporting using Excel to track loans, grants, and operational metrics.
- Coordinated team activity to meet company targets and supported field and online research for business development initiatives.

Transport Manager Representative (Ad Hoc) | *Dangote Cement Plc* Jul 2020 – Feb 2021

- Maintained accurate records of truck fleet, distributor activity, and driver performance, producing daily Excel reports for the Transport Manager.

EDUCATION

B.Sc. Marketing | *Rivers State University*

2019
